

Peace Lutheran Church in Wall Lake, IA

LCEF's Consecrated Stewards process assisted this congregation. See how!

Investing in LCEF helps fund LCMS ministry.

Thank you for your support.

Consecrated Stewards in Iowa

“At times we had cash flow issues during the summer months, even borrowing money from LCEF to cover operating expenses,” said Rev. Roger Carlisle.

“In an effort to change this pattern, we pursued Consecrated Stewards (CS). An immediate result was the pledged increase of 48 giving units. However one of the most significant changes was the change in *thought and language*. Instead of talking about giving money, . . . the mindset of members and leadership became utilizing talents and abilities in all areas of their lives.” To keep their positive momentum going, Peace plans to host year two of CS this spring.

Learn how CS can assist your members by contacting your district LCEF vice president (see contact list on this site,) or the national office at 1-800-843-5233 or visit lcef.org.

“One of the strengths of the program at Peace was their use of the children’s component. The children were very involved in the CS process,” said Riggert.

LCEF is blessed to serve Peace Lutheran Church in Wall Lake, Iowa
